

# MAXX SLIDE SERIES

# ROLL-OUT YOUR CUSTOM DRAWER UNIT WITH THE MAXX SLIDE SERIES

Introducing OPS Public Safety's new MAXX Slide Series, designed for emergency service vehicles. No more reaching in to access all your tools and equipment. The MAXX Slide Series makes it easy to access 100% of your equipment from all sides.

## CONFIGURABLE DRAWERS

Design your configurable drawer solution with the following options:

- Weapon drawer
- Equipment drawer
- Closet storage
- Fold-up whiteboard drawer
- Shelf unit with flip down door
- Filing drawer
- Open storage with tie down

## MAXX SLIDE SERIES

Designed for SUVs, vans, and pickups, the MAXX Slide Series features:

- 65", 70", 75" and 90" available lengths
- 100% access of cargo equipment
- 2000lb. weight capacity
- Locking mechanism every 20" for safe and secure rolling
- Rises only 4.25" above the truck bed
- One-handed operation
- Easy installation
