TRUNK AND CARGO AREA ORGANIZERS

Our Trunk and Cargo Area Organizers are expertly designed for individual vehicles. Our heavy-duty organizers fit seamlessly into the contours of the spare tire well, taking advantage of the under-utilized space in police vehicles. The lightweight ABS construction is extremely durable, allows for easy access to contents, and provides maximum protection while the vehicle is in motion.

Trunk and Electronic Tray Features

- » Vehicle specific design
- » Lightweight ABS construction
- » Removable dividers allow officers to personalize their organizers
- » Hinged lids allow for easy access
- » Shell is constructed from ABS material; heat & cold resistant providing maximum protection
